

# INTRODUCING THE NEW MINI FLAKE BUSTER

- Worlds only dry metalflake gun specifically for use with an airbrush.
- Uses Patented Method and Design.
- CNC Billet Aluminum sprayer.
- Color coded Nylon inserts fit most all airbrushes.
- Works with siphon or gravity fed airbrushes and won't harm the surface.
- Spray pearls and special effect pigments DRY!
- Change pearls and flakes without solvent rinse.
- Sprays powder size material up to .040" larger than Bass Boat!
- Save un-sprayed material instead of dumping it.
- Save \$\$ on solvent and clears
- Perfect for R/C, model, craft, make-up artists, automotive, etc...
